We have changed the way you book for your school holiday swimming.

- Open the email from Willoughby Swim Squads that contains your personal invitation to our customer portal link and follow the instructions to create a password (see attachment for more information on our customer portal)
- Once you have created your customer password you are ready to select your classes and book online. Once you have signed in follow these steps:
 - from the left hand side panel – select **classes**
 - select **add enrolments**
 - a profile window will pop up, select **Holiday Booking**
 - next you will be asked to select a student
 - select the classes you wish to enrol for into by adding to your cart.
 - NOTE: to book classes for week 2 you will need to **select** and change the date range
 - you will need to repeat this process for each child
 - once you have selected classes for each child go to your cart and complete booking request by checking out
 - no payment is required at this stage, **fees due Monday 5th October**
- When we receive your booking request we will email your booking confirmation and payment instructions. If you need help with the customer portal please call **Kristin 0478 113 558**.
